“ So sorry to have just heard of Davie passing away. He was one of my favorite people when we attended Trinity Baptist. He always had a smile and a kind word. Davie was such a godly man who has left a legacy that his family can be proud of. Our deepest condolences to his precious family.

“ Davie was my Sunday School teacher at Trinity Baptist Church in the 1960's. He had a profound impact on my life, teaching the other boys and me important Biblical truth. Pastor Larry J. Rhodes.

“ My most sincere condolences to Davie's family, both his natural family and his church family. I was really young when I got to know Davie, and my memories of him aren't what they used to be, but I can say that he was like a extra grandpa to me and many others whose lives he touched.

“ Davie ... David .... friend of my Father and Mother ... Leader ... the kindest Man I have ever known. He supported my father Dallard through his years of illness and when he was well. When it was time for his passing into God's arms - Dave was there for us. . He was a Friend to many. He was a great Father and Husband. He is being welcomed in God's house by many including Dallard and Shirley. May you find Peace in David's passing. He is in a better place. He is a HERO to me. He was always there at Trinity with a smile... for Decades... doing the work of Jesus. Please know that you are all in my Heart and Prayers. Due to the latest RSV virus going on (and my COPD) I am unable to go to David's Funeral and it breaks my Heart. Praying for each and every one of you in your time of sorrow. Sincerely, Vickie (House) Kyzer

“ Davie was such a great man and leader in the church. His family meant a lot to me growing up in El Reno.

“ I’m so sad to hear of Davies passing. I lived in fair addition growing up and he always handed me a shovel so I could clean up after my pony he allowed me to tie outside to the hitching post outside the butcher shop back door. That hitching post is still there. He also laughed so hard when I came into hurst grocery at 12 years old looking for “elbow grease” my sister had sent me after when I accidentally caught the kitchen on fire and smoked up the ceilings.  
He was a good man and a faithful servant. My prayers are with his family and all who loved him.

“ Davie and his wife Jean are both very dear to me. When I moved to Oklahoma from NC I did not know many people and they made me feel so very welcome in this community. I am so glad to have known Davie while I was a member of Trinity Baptist. I so sorry to hear that he has passed. He will be greatly missed. Sending love and condolences to the family.
