

Rebecca Michelle Ross

January 22, 1982 - January 27, 2019

God graced the world on January 22, 1982 with a beautiful baby girl, Rebecca Michelle Miller. He then called her home on January 26th, 2019. Survived by her parents Gail & Mike Moffatt of El Reno; her older sister Jessica Miller also of El Reno; her Granma in Anadarko, Mary Derichsweiler; Cousins both big & little Aunts & Uncles both young & old, all in more places than one can shake a stick at. Becka now dances joyfully in Heaven with her cousins Keri Haberstroh & Brian Novotny and fishes peacefully with her Daddy, William H. (Bill) Miller and her Granpa Leo Derichsweiler. Becka grew up in El Reno, a lively little firecracker riding horses, camping, spending time at the lake with treasured family & friends. With an imagination the size of the universe she wrote poetry, entertained those in her company, & enjoyed life for all it's glory. Turn her giggle box over & her laughter became contagious. Her adventurous soul & sharp determination led her to fear few things in her world. Her smile melted ice. Her heart for animals & children, especially those in her care, grew bigger everyday. Her uniqueness & custom character, granted by God, forever leaves an indelible imprint cherished by our world.

“I worked with Becka at The Bridge. Her and I would usually have a small daily pep talk with each other. I always got to work about the time she was going on her break. I always looked forward to our daily talks. Even on rough days, whether she was having a rough day or I was, she was ALWAYS so cheerful and spunky!! I just told her last week, “You are always smiling and so happy” her respond was “ It’s up to

you wether to let something get the best of you or not”!! That statement really has stuck with me since then!! She ALWAYS had a smile on her face and always greeted And treated EVERYONE as if they were family! We all know you are watching over us and helping us get thru each and every day! You will NEVER be forgotten, you will always be with us.

“ Hi my name is Shelby, I worked with Becca at bridge kids, I may not have known her for a long time but from what I saw from her everyday was joy, no matter if she was having a bad day or not, she never let it bother her around the children or around the staff, she would always greet you with a smile and leave with a smile. Everyday at lunch she would always ask if I was having a good day and compliment me. The daycare will never be the same without her laughter and her positive attitude, she will be missed dearly, I hope your looking down on us right now, watching over us, You won't be forgotten girl

“ I loved when i came back from a van run in the morning because Becka was always there with her kids laughing and having fun. I got so used to her being there every morning and talking with her and saying goodmorning to everyone she met. I feel so blessed because i got to call her my friend and co-teacher.

“ I worked with Becca and she was also my 4 yr old daughters teacher... Ms Becca made such an impact on us both, i admired her for her positivity and her kindness, I respected her and enjoyed her company. Over the last 6 months i got used to her voice every morning greeting me and evening tell me goodbye, waiting to hear her every day after i got back from lunch at the bathrooms with the kids to point me out to my daughter so she could run and give me a hug. My daughter LOVED her talked about her daily, was excited every morning she wore something cute she could wait to show Becca, her favorite thing to do with her was color, even at naptime when she was too stubborn to sleep, Ms Becca would let her sit at the table with her and color. I miss her big smile and her kind heart.

“ Her laughter would light up the whole room. The memories can go on forever but the one that sticks was she had a superman plastic ring on one finger and one of her kids gave her a superwoman plastic ring to go on the other finger she was so proud of those ring. She will be missed by all of us.

“ I was a coworker of hers at bridge kids. I will always remember her saying goodmorning, have a good day, and always asking how my child was that morning and then give him a hug, or yelling across the way Good Moring so he could hear her. She was always smiling and never had anything bad to say. She will definitely be missed.

“ There are so many sweet and wonderful memories of Becka. She worked for me as a Pre-K teacher, and boy did she ever love those kids of hers, as well as all the others. She always had a smile on her face, a hug to give away, and a good morning and a goodbye. Her laughter and smile was contagious, and there was never a dull moment with her around. She was not just my employee, but my co-worker, my friend and family. She will forever be missed and remembered always.

Marla McKinney - January 29, 2019 at 05:37 PM

“ Always she had a great big smile on her face when came to the kitchen in the mornings to pick up her kids and asking me for a plate to eat for lunch. The other day she showed me her rings that she had of a plastic superman on one finger and one of her kids gave her a superwoman ring she was so happy and her laughter was just bright to make a great day.
