“ Sue was my mom, Eleanor Bollinger's, very best friend. Oh the conversations I can remember those two having about their kids. Lloyd and Art were best friends too. They both worked for the Rock Island Railroad, so sometimes our lives revolved around 'trains'. Our families grew up together since we were barely old enough to walk. We chopped our own Christmas trees together, played WaHoo together, ate many meals that all four of our parents cooked together, we shared in births, deaths, baptisms, graduations, weddings, birthday celebrations, holidays, took trips, family vacations, ate ice cream and just loved the joy of a weekend. We had Bollinger tea (was strong) and Snyder tea (was weaker) - so everyone could pour their tea of choice. Sue was loved by so many, she was a giver and helped anyone in need. Our family bond was strong and full of love. Sue was my 2nd mom - so many cherished memories. Love you Sue, I am sure your spirits are all dancing and laughing in Heaven. Thank you for all your care and love. Marcia B.

“ There has not been a time in my life that Sue Snyder and her family were not a part of it. She and my mom were like sisters. I am horribly saddened - but know that she returns to be with her loves (and my mom) for a glorious reunion. Prayers for Diana & Beth and the rest of the family. Love to you all.

“ I spent a lot of time at your home in grade school...Sue and Art treated me like one of their own and Robert and Beth like my own siblings. I loved the hugs and visiting with them at events or church when back in El Reno at First Christian Church. With the sadness of our loss on earth, she is met with joy of those she is reunited with in heaven.  
Memories are forever
