“ I'll never forget the day Teresa came up to visit her cousin Steve (BRADY) and me Denise (Brady) at our little house. We decided to wash my horse on this beautiful sunny day. Later after washing and playing cowgirls we both laughed cause we were all dirty and wet. T didn't bring a extra set of clothes with her. So I told here that she could wear something of mine..her eyes lit up and that pretty smile was on her face. So I gave her some ol velvet patch work navy blue bell bottoms. Then she picked out a peasant top, and grabbed the leather fringed vest then topped it off with a pair of my sandles. She looked so cute...she said," I love your clothes." Little did I know that, " Just last year she reminded me of how, "Special a Day," it was for her to be wearing my hippy clothes. It's a bitter sweet story I know ... But one that was Special for T and me. "Happy Trails Teresa"
